2. Scope of Examination

Our examination was conducted in accordance with the **Guidance Note on Reports and Certificates issued by the Institute of Chartered Accountants of India (ICAI)**. The procedures performed by us primarily included:

- i. Obtaining the quantitative statement prepared by the management;
- ii. Comparing production and trading quantities with disclosures appearing in the audited financial statements for the year ended 31st March 2006;
- iii. Reviewing summary extracts of procurement and sales records made available to us;
- iv. Reviewing management explanations in respect of vehicles classified as “put to self-use”;
- v. Examining the working of steel consumption quantities provided by the management; and
- vi. Obtaining written management representations regarding the completeness and accuracy of the data.

Our procedures were performed on a **test-check basis** and were limited to the records and information made available to us.

3. Summary of Procurement and Sales Data

Please refer to Annexure A for the summary of procurement and sales data for the Financial Year 2005–2006.

4. Certification

Based on the information and explanations provided to us, the books of account and records made available for our examination, the comparison with the audited financial statements for the Financial Year 2005-2006, and the written representations received from the management, we certify that the quantities stated in the above statement have been compiled from the books and records of the Company for the said Financial Year.

5. Limitations

Our work did **not constitute an audit or review** in accordance with the Standards on Auditing prescribed under Section 143 of the Companies Act, 2013 or any other assurance engagement. Accordingly, we do not
