Sub: Go-live of the EPR Portal for ELVs for Registration of Producers – reg.

Sir/Madam,

This is in reference to the Environment Protection (End-of-Life Vehicles) Rules, 2025 under Environment (Protection) Act, 1986, notified on 6th January, 2025 for implementation of Extended Producer Responsibility (EPR) framework on End-of-Life Vehicles (ELVs). The said rules came into force from 1st April, 2025, to regulate the management, recycling and disposal of ELVs in an environmentally sustainable manner (Copy enclosed).

As per the provisions stipulated under the said Rule, the Producers are required to obtain registration from the CPCB and fulfil their obligations through the centralized online portal.

In this regard, CPCB has developed the EPR Portal for ELVs (<https://eprelv.cpcb.gov.in/>) and launched the registration modules for Producers on 15.01.2026 through which Producers may submit applications for registration under the EPR-ELV framework.

In view of the above, it is kindly requested to advise Producer members of your Association across the country to register on the EPR-ELVs Portal at the earliest to ensure compliance with the provisions of the said rules.

Yours faithfully

(Deepti Kapil)
