No: CP-21/70/2024-WM-II-HO-CPCB-HO

5th March 2026

To,

The Member Secretary
(SPCBs/PCCs as per list enclosed)

Sub: Implementation of EPR ELV framework and Go-live of the EPR Portal for ELVs – reg.

Ref 1: CPCB letter No. IT/25/2025-IT-HO-CPCB-HO dated 19.01.2026.

Ref 2: A virtual meeting held on 16.02.2026 with all SPCBs/PCCs.

Sir/Madam,

This is in reference to the **CPCB letter dated 19.01.2026** and a **meeting held on 16.02.2026**, regarding the Go-live of the EPR Portal for ELVs for the registration of Producers and Registered Vehicle Scrapping Facilities (RVSFs). During the meeting, a demonstration of the RVSF registration form and the internal processing module, including workflow details was provided.

Further, it was also requested to provide the details of the officials to facilitate the processing and grant of registration to RVSFs on the centralized EPR Portal for ELVs (<https://eprelv.cpcb.gov.in/>) under the Environment Protection (End-of-Life Vehicles) Rules, 2025. The copy of the said meeting minutes enclosed for kind reference, please.

However, the required details have so far been received from only few State Boards. In the absence of the above details from SPCBs/PCCs, the processing of applications by the respective State Boards may not be possible and will also delay the processing of registration. It may be noted that as per the Rule 14(1) of ELV Rules 2025 the SPCBs shall register the RVSF within fifteen days from the submission of the application.

In view of the above, it is once again requested to direct all RVSFs under your jurisdiction to register on the EPR-ELV Portal at the earliest and provide the details of the authorized officials in the prescribed format provided at Annexure-I to eprelv.cpcb@gov.in within 03 days of receipt of this letter to enable CPCB to create login credentials in a timely manner and to commence the processing of RVSF applications based on the physical verification in accordance with the stipulated timelines. The real time status of submitted applications can be accessed in the National dashboard section of EPR portal for End of Life vehicles (URL: (<https://eprelv.cpcb.gov.in/>)).

Yours faithfully

(Deepti Kapil)
